If you are late you will not be admitted.

Registration generally takes 20 minutes and clinic starts immediately after than point. You must be registered by that time.

You must be present for the entire clinic to be certified.

Clinics are for adults - children are not welcome.

Just Cause - The reason must be forwarded to the TDC Chairman in writing in order to obtain reimbursement for missing a clinic.

A hockey game or birthday party or tournament is not just cause. Just cause is (for example) an unavoidable reason such as a death in the family, major illness, car accident or unexpected business trip.

Requests for reimbursement due to just cause should be forwarded through your Association's TDC Representative.

Development Coach Clinic Format

Speak Out is on the Friday night - the on ice portion could be on the Sat or the Sun but will be confirmed with an agenda on the Friday evening. Do not bring your equipment to the Friday night session.

Trainer's Note

To register as a trainer you must be speak out certified. If you are not speak out certified please make sure your association's TDC representative registers you in a speak out clinic.

Speak Out is not part of the trainer's clinic.

You are most welcome but your cell phone is not. Please turn it off or to vibrator mode.
